Political affiliation determined by analysis of voting patterns in the *Journal of the Assembly*.

* Conflicting returns received from Bedford County. The contested seat was awarded to Joseph Powell over Abraham Cable.

** Samuel Atlee was replaced by James Clemson on 22 February 1787.

*** No votes were recorded in the *Journal* for David Davis. His allegiance has been assigned to the Constitutionalist on the basis of his voting patterns in other sessions of the Assembly.

Q: These individuals boycotted the afternoon session of 28 September 1787, preventing a quorum and thereby blocking a vote on a proposal to call a constitutional convention:

! Isaac Gray ran on both tickets in Philadelphia.
