* Jacob Hostetter voted with the Federalists in 1798 on politically sensitive issues, but voted with the Republicans in 1799. It would appear that he switched alliances between sessions.

Political affiliations based upon the list published by the *Aurora* and by the vote for or against the selection of presidential electors at the district level. A vote for the district system was a vote for the Federalists. A vote against the system was a vote for the Democratic Republicans. Votes for the district system were recorded by Herbach (York) and Hunter (Lycoming), although the *Aurora* marked them * as Republicans. Van Horne (Bucks) voted against the district system, although the *Aurora* had not designated him as a Republican. All three designations are considered to be typographical errors.
