* Thomas Maffat declined his seat in the Assembly and was replaced by John Hannum on 4 December 1782.

** George Ege declined his seat in the Assembly and was replaced by Nicholas Lutz on 17 January 1783.

*** Charles Cessne was expelled from the Assembly on 9 September 1783 for forgery and perjury involving his conduct of office while serving as commissioner of purchases for Bedford county.

**** No recorded votes can be found for Curtis Grubb.

@ Joseph Montgomery was supported by both Constitutionalist and Republicans. Brunhouse called him a "moderate Constitutionalist."

Peter Kohler did not have sufficient recorded votes to determine his political alliances. He has been assigned to the Constitutionists based on his voting record in the 1780/1 and 1781/2 Assembly sessions.
